

# Battle of the AIs: Defenders vs Attackers

**MC**  
CYBER

## WELCOME TO THE NEW CYBER BATTLEFIELD

Come See:

- Eye-opening real-world case studies
- Live demos of AI in action
- A peek into the future of cyber defense—where human expertise and AI must join forces

Discover how AI is tipping the balance of power in cybersecurity and why the future belongs to those who know how to work with AI, not against it.
