## Memorandum

**To:** The Academic Affairs Division  
**From:** Dr. Deidre Price, Senior Vice President for Academic Affairs/College Provost  
**Subject:** **Meet the Finalists for the VP of Liberal Arts and Education Position and for the VP of STEM and Health Sciences Position**  
**Date:** May 8, 2025

I am pleased to share that search committees for the Vice President of Liberal Arts and Education and the Vice President of STEM and Health Sciences have completed their work and have forwarded their recommendations for candidates to continue on with the search process.

After review and follow-up interviews, the finalists are individually scheduled for a Zoom session that is open to anyone interested in meeting the candidate and sharing feedback. Questions should be submitted in advance through this [link](#). Please note the timeliness of submissions indicated on the form to ensure it is collected in time for the appropriate session. Candidate materials will be shared a day in advance of each session. A moderator will facilitate each session, and a survey will be shared with attendees after each session has ended. Candidate Zoom sessions are arranged as follows:
