Education and prevention are essential means by which the College creates and maintains a safe, positive environment free from hazing. Programs and strategies include, but are not limited to:

- 54 A. Posting this policy on the College website.
- 56 B. Inclusion of policy in new student orientation.
- 58 C. Annually inform students, organizations, College employees and volunteers that
 59 hazing is prohibited, by means of distribution of written policy and publication in
 60 handbooks.
 - D. Making anti-hazing online training available to all students and employees. Such anti-hazing training shall include information regarding hazing awareness, prevention, intervention, and the College's policy.
- E. Requiring student government association, student athletes, leaders of registered student clubs, and other organizations and groups, to complete anti-hazing training provided by the College. Such anti-hazing training may be conducted online or in-person and shall include information regarding hazing awareness, prevention, intervention, and the College's policy. Failure to complete the training will result in the student being denied the ability to join any recognized student club or organization.
- F. The College shall also provide all staff and volunteers that advise or coach a
 student club or organization recognized by or operating under the sanction of the
 College and who have direct contact with students with mandatory training on
 hazing which shall include information on hazing awareness, hazing prevention,
 and the institution's policy, including how to report incidents.
- 80 V. Reporting and Investigation
 - All members of the Montgomery College community must report known or suspected hazing incidents and are encouraged to make such reports promptly to maximize the College's ability to respond and take appropriate action, including to obtain evidence and to conduct a prompt and equitable investigation.
